CESAR KYLE CASIL

Santa Clara, CA 95054 • LinkedIn • GitHub

OBJECTIVE

Computer Science major seeking full time, part time, or internship position where I can expand on my technical skills while contributing towards companies' vision.

EDUCATION

Coding Dojo, Silicon Valley   Jan 2018 - Apr 2018

Full Stack Developer Program centered around Python, iOS, and MEAN stack development

University of California, Santa Cruz   Sept 2012 - Jun 2016

Earned 173 credits towards B.S. Computer Science degree

EXPERIENCE

MissionU, San Francisco, CA   Mar 2017 - May 2017
Research Intern

- Developed roadshow plan for brand launch
- Created 4 research documents to find how many and what data analyst jobs are expected in the future
- Created 4 excel spreadsheets filled with subject matter experts, employer partner leads, and various professors to gain input on MissionU's curriculum for the data analyst program

Garcon LLC, Santa Clara, CA   Sept 2016 – Dec 2016
Android Development Intern

- Developed Garcon's Android application during its second iteration and first release
  - Updated the UI and cleaned up deprecated code
